Pompon and Decorative Commercial Varieties

The term pompon is applied to those varieties which are of the true rounded type, and those very nearly approaching this type.

Decorative varieties are those which are a distinct departure from the rounded type. Their flowers are less compact, partly reflexed and display more of the color of the inner side of the petals.

Size of flower is indicated by S—small; Int.—intermediate; L—large.

MANY of the largest growers in America have decided that it is more profitable to secure cuttings every year at the low prices offered rather than propagate their own stock. This enables the florists to assure themselves of robust plants free from disease and true to name.

Look this list over carefully for better varieties. Should you require information, write us. We will advise you what the large growers are producing. If you are having trouble with any of your varieties we will try to recommend better ones.

SPECIAL EARLY ORDER DISCOUNT. When an order is placed two months, or more, in advance of delivery date, a discount of 5% is allowed, **provided delivery date is April 1st, or later.** Be sure to show on your order, date cuttings are wanted.

Special Discounts for Large Orders:

The following discounts, for quantities given, will apply on orders placed **at one time** for the quantity on which discount is taken.

5% discount for an order of 10,000
 7½% discount for an order of 25,000
 10% discount for an order of 50,000

	Rate per 100	Rate per 10	Rate per 100	Rate per 10
Please note accompanying schedule showing rates per 100 and corresponding rates per 10. We do not supply less than 10 of any variety , except first year Novelties.	\$3.00	\$.50	\$ 8.00	\$1.50
	4.00	.50	10.00	1.50
	5.00	1.00	12.00	2.00
	6.00	1.00	15.00	2.50
	7.00	1.25	20.00	3.00

Please Note:

In figuring your order, please note that ten cuttings are billed at the ten rate; 15 or 20 also at the ten rate; 25 cuttings at the hundred rate; 250 cuttings or more, of one variety, at the thousand rate. **Please note this carefully.** Also, if your order should total 900 cuttings (for example: 100 each of 9 varieties at \$3.00, total \$27.00, while if 1000 are ordered, the thousand rate would apply at \$27.50). This point should be watched in figuring your order so that you may have advantage of the thousand rate, on the entire order. Thus, you will note, 1000 cuttings can be purchased for just a little more at the thousand rate, than 900 cuttings figured at the hundred rate. **Watch this.**

Because of the perishable nature of Mum Cuttings, we do not send them C. O. D. but when necessary to do so, we request that 50% of the amount be enclosed with your order.

Shipping Information:

All our stock is propagated at Barberton, Ohio, from where it is shipped by Express Collect. We do not advocate shipping chrysanthemum cuttings via parcel post.
